Please remove all packaging and label all items before the first day of school

There are two ways to order your school supplies:

- School Smart:
 - <https://schoolstart.ca/parents>
- Staples: see the information below

If you would like to order through Staples, please use the following link. You can deselect items if you already have them. Also, the item's brand name is not important as long as it is identical in its description (e.g. the brand name of the pencils you purchase does not matter, as long as your child has the right amount).
